KERN COUNTY RACEWAY
RACE RE-CAP

ROSAMOND, CA, May 3, 1997

ROSAMOND, CA. May 3, 1997 - The perfect weather or perhaps the excitement of another new year at California's best kept secret with "more care, more rising race stars", or perhaps the introduction of the new Back Seat Driver class on the 2nd opening night, but for whatever reason, nearly every class provided much excitement and was mega-competitive.
